He traveled first by horseback and buggy, and later by Model T Ford in all kinds of weather. In those days the roads were not surfaced and sometime he would get stuck in deep mud. He also owned an orchard and truck farm. He once had an additional ten acres of strawberries on rented land near town and most of the young people of Witt were hired as pickers. Another temporary sideline was chicken raising and for a few years he kept about 1000 laying hens.
Dr. Walcher was born on a farm near Rosamond on January 20, 1878. On Oct. 10, 1902, he and Katherine Ricketts of Pana were married, and for a few years they lived on the Platt farm southeast of Witt. In 1910 he graduated from Chicago Veterinary School and then set up his practice in Witt.
Dr. and Mrs. Walcher raised five children, Julia (Mrs. Melvin Coffey) of Witt; Donald of Denver; Lenore (Mrs. Russell Sparks) of Hillsboro; Bruce of Menlo Park, California; and Alice June (Mrs. Clarence Pool) of Chatsworth, Illinois. One child died in infancy.

AGED BOULDER MAN CUTS HIS THROAT NOT SERIOUS
After he first attempted to shot himself with a revolver which failed to fire, according to authorities, William B. Walcher, 84, cut his throat with a razor Thursday night at his home, 2309 South street, but did not slash deep enough to cause a serious wound.
Sheriff George Richart took him to the Community hospital, where he was recovering today. No reason for the act was assigned. The sheriff assserted friends had filed down the firing pin on Walcher's revolver after he once made threats to shoot himself or others.

He married SARAH ANN LANTZ 12 September 1868 in Christian County, Illinois[1], daughter of WILLIAM LANTZ and ELIZABETH LAWES. In the album of EdnaWalcher, daughter of Jacob Franklin "Frank" Walcher
SIMEON M. WALCHER IS FOUND DEAD IN HIS TENT HOUSE AT EARLY HOUR
Simeon M. Walcher, a familiar figure on Boulder's streets for a number of years, was found dead in his ten house at Fifth avenue and Sixth street, this morning by his brother, W.B. Walcher of 1860 Twenty-third street. He had been in poor health for a number of days and when visited by E.W. Hulsa, a neighbor, yesterday afternoon, was worse. Mr. Hulse notified the brother, who went to the tent house this morning. Medical examination of the body disclosed heart disease as the cause of death.
Mr. Walcher was past 78 (written in was 78) years of age and had lived a hermit's life in his tent house since the death of his wife several years ago. He posed as an authority in mineralogy and was convinced in his own mind that he had a radium spring on the property where he lived. He also declared himself to be an inventor. He was a county charge to some extent and had been helped by relief-giving organizations of the city. His habit of wearing his hair long and curled down the back made him somewhat of a unique figure.
In addition to the brother here, a half-brother lives at Broomfield. He was notified and is expected here before night. Mr. Walcher had lived in Boulder a number of years. He was a member of the Presbyterian church. He died without property or funds. (Written in is Died Dec 1921).

Biography: Simeon registered for Home Aid from the county 1 Feb 1920, of 5th Ave and 7th St, given provisions, coal and feed $34.80 over 10 months. (PB4:130)It is possible that Simeon is buried in grave 3 N 1/2 or he shares a graveroom with Charles Sherman who d 25 Aug 1922. Most people in this lot are buried in date of death order, from south to north.In 1910 he and Sarah were living on 4th St. next to Andrew Watson. Simeon was age 63 born in Illinois. Parents born in North Carolina. He and Sarah had been married 43 years. She had given birth to two children but none were living in 1910. Simeon was doing jewelry repair work. His bro James S. age 60 was living with them, a farm laborer. They were not found on any earlier Boulder Co. census. ' 'Dr.' S.M. Walcher An Eccentric of Boulder Found Dead In A Tent House Where He Lived' 'Simeon was found dead this morning in his tent house on Fifth Avenue and 6th street by E.W. It is presumed that the old man died about 6:30 a.m. He was about 70 years old. He had a brother, W.B. Walcher, in Boulder and a half brother in Superior. He had on a top coat but no other clothing. Death was due to exposure and acute kidney trouble. Yesterday Mr. Hulse and Dr. F.O. Burdick of the Associated Charities went out to take him to the county hospital. Walcher was then without the use of his legs as they were badly bloated. He flatly refused all assiatance. 'Mr. Walcher was a well known character in Boulder. According to Dr. Burdick he was one of the early settlers. He was a very eccentric character. His wife died three years ago from tuberculosis. He told charity workers two days ago that she had returned and was in another tenthouse which he used for storing the odd bits of iron that he picked up here and there. He refused them admittance when workers asked if they might talk with her. At various times Mr. Walcher

Walcher An Eccentric of Boulder Found Dead In A Tent House Where He Lived" Simeon was found dead this morning in his tent		

house on Fifth Avenue and 6th street by E.W. Hulse who was called by Walcher's neighbors, the Watsons, who informed Hulse that Walcher was in a serious condition. ... It is presumed that the old man died about 6:30 a.m. He was about 70 years old. He had a brother, W.B. Walcher, in Boulder and a half brother in Superior. He had on a top coat but no other clothing. Death was due to exposure and acute kidney trouble. Yesterday Mr. Hulse and Dr. F.O. Burdick of the Associated Charities went out to take him to the county hospital. Walcher was then without the use of his legs as they were badly bloated. He flatly refused all assiatance. 'Mr. Walcher was a well known character in Boulder. According to Dr. Burdick he was one of the early settlers. He was a very eccentric character. His wife died three years ago from tuberculosis. He told charity workers two days ago that she had returned and was in another tenthouse which he used for storing the odd bits of iron that he picked up here and there. He refused them admittance when workers asked if they might talk with her. At various times Mr. Walcher

thot that Boulder feed men were selling him poisoned grain, to kill off his few chickens. These charges, entirely unfounded, became so troublesome that the merchants refused to sell him grain even with a written order from the charities. He had been under charitable visitation for about ten years. Mr. Walcher thot that his tent was located in the center of a diamond mine and at various times he appealed to officials for protection. He also believed he had discovered the panacea for all pains and he has told charity workers that he had cured his wife of TB with this medicine three times and himself twice. He also had an instrument with which he claimed he could discover germs in any article of food. He was at various times interested in mining and farming in Boulder county. In fact, there are few lines of business which he had not been interested in. His body is at Howe's mortuary.' (15 Dec 1921) (Dec 2000 Update)

Mailed 9/9/04

Mrs. Brian William Walcher
438 Angie Lane
Washington, UT
(435) 656-2439

Dear Mrs. Walcher,

First let me introduce myself, I am a Walcher cousin who is researching our family history. Several Walcher genealogists are working on information for the family of John Michael Walcher who was born in Caburrus county, North Carolina and migrated to Montgomery County, Illinois. We are hoping to put together a book on the descendants of John Michael.

When I sat down this week to begin working on a family, I went back to a file I had found in Salt Lake many years ago. It was submitted to the LDS church by Mrs. Nestor C. (Alice Seufert) Walcher. As I began to search, I found that Brian would be the age to contact him about his family. Then I found he had passed away in January of this year. I am so sorry for your loss. I can only hope that you are interested and will help with our continued family history or that you will contact someone in Brian's family who is interested.

I also found Brian's obituary on the Internet that appeared in the Southern Utah News and see two children listed, so perhaps this is even a greater reason to know about the Walcher family.

Recently a Colorado cousin loaned me some Walcher information that he had inherited from a western Oklahoma family. The information included old pictures of your husband's generation of the Walcher family. If you would like copies of the pictures, I will be happy to send them to you.

I am enclosing a copy of some of the information we have on Nestor's family. Knowing that family meant much to Alice and I am sure to Brian, I hope that I will be hearing from you. I am enclosing a self-addressed envelope for your convenience.

Most sincerely,

From the Desk of

Dear Edna + Lloyd,

Thank you for the comforting card and note you sent. We wished you could be with us, too, but understand.

Laura + Walter were here, and one of their daughters, + husband - and of course Jeannine + Jim, their children, and grandchild; and Geri + Ken - Nina had had a knee operation that she's having a lot of pain + discomfort recuperating from, so wasn't able to come.

Hope the work on your home is being completed so you can have that off your mind when you have to leave for Colo. Let me know when you return - come down

2

if or when you can - and I just might take you up some day on your invitation to visit you, too. You both have always made me - us - feel welcome whenever we did visit in your home.

Yes - it's rained a lot here and in Okla., too. ~~Then~~ I forgot to mention I'm in Dodge City. Ken and Geri wanted to help me some more but felt they should get back to work, so brought me home with them last Thurs. evening. Don't know just how long I'll be here, but of course I'll have to go home eventually.

Jeannie was just at the end of the first two of a 6-wk Girl Scout Camp she's been

counselor at for several summers, so had to go back, and she left Thurs. a.m.

I'm suddenly terribly tired today. Guess I've just begun to realize how really exhausted I'd become. I'm doing OK, though, and with God's help will make it.

Have a good, safe summer.

Love,
Lois

Why not stop by here on your way to Colo.?

The address:
Mr + Mrs. R.E. Grady

Call when you get to town if you need to find out how to get here.

Dear God, I thank Thee for the loan
Of all these things I call my own:

For far horizons from a hill,
With misty hopes I can fulfill;
For sunset's flaming grandeur seen
As on my window sill I lean;
For quiet fragrance of a rose,
If I but hold it to my nose;
For cares, for joys, for thrills, for pride
Of having children by my side . . . .
Their trust, their dimpled smiles — the pain
Of growing up with them again . . . .
For love they rightly transferred when
They gave their hearts to fine young men;
For friends and friendship's freely giving
That helps make life here well worth living;
For tender glance and soft caress
Of him whom I claim to possess;
For love that transcends every other —
Son or daughter, father, mother;
For one who through the changing years
Has shared my gladness and my tears —
Through giving children when they're wed
Or when their paths afar have led . . . .
Through ups and downs, good times and bad,
Through times of joy and when we're sad;
For Godly parents, loving still,
When grieved by my ungodly will,
Lent to me by Thee at my birth
To take Thy place upon this earth,
Until I should, by Thy good plan
Attain the stature of a man.

For all the joys that I have known,
For strength and faith when joys have flown,
I thank Thee, Lord, and pray for grace
To keep each loan within its place,
And use it as Thou didst intend
When Thou didst to me these things lend . . . .
That when time comes for their returning
I'll give them back without sad yearning.

I have a rendezvous with Life —
With Life Eternal with my Master.
I know not what the day or hour,
But I will trust His gracious power
In sorrow, pleasure, peace, disaster.

This life I know with all its joy
Is but a bud I can compare with
A blossom full and glowing bright
With dew besprinkled in dawn's light;
Its glory, you, my Love, I'll share with.

My loved ones here I fain would stay
Beside them always, now and ever;
But pray don't for my seeming sleep
Lament or sorrow, wail or weep;
Our love this journey need not sever.

The day will come when you, my Love,
Will blossom forth — we'll be together;
Our joyous better life we'll find
Time endless to share, unconfined
By earthly limitations' tether.

I have a rendezvous with Life —
With Life Eternal with my Master.
I know not what the day or hour,
But I will trust His gracious power
In sorrow, pleasure, peace, disaster.

This is the one on the back I'd written years ago & put with my own insurance policies - always hoping I'd go first - until the past couple of yrs. when I realized that probably no-one else would take the care of him he needed.

1. CHARLES EDWIN[6] WALCHER *(LUTHER MORGAN[5], EDMUND AARON[4], JOHN MICHAEL[3], MICHAEL[2], ADAM[1])* was born 20 January 1878 in Rosamond, Christian, Illinois, and died 06 June 1945 in Witt, Montgomery, Illinois[1]. Notes for CHARLES EDWIN WALCHER:
Appeared in the Witt Centennial 1868-1968 from the Montgomery County Genealogical Society, page 41.
DR. CHARLES E. WALCHER - WITT'S ONLY VETERINARIAN
Dr. Walcher was on call virtually 24 hours a day from 1910 until the day of his death in 1945. He doctored farm animals and pets in the Witt community.
He traveled first by horseback and buggy, and later by Model T Ford in all kinds of weather. In those days the roads were not surfaced and sometime he would get stuck in deep mud. Then he would haul out his block and tackle, attach it to a fence post, and pull his Model T out of the mud. He is still remembered by many farmers in the Witt area.
He also owned an orchard and truck farm. He once had an additional ten acres of strawberries on rented land near town and most of the young people of Witt were hired as pickers. Another temporary sideline was chicken raising and for a few years he kept about 1000 laying hens.
Dr. Walcher was born on a farm near Rosamond on January 20, 1878. On Oct. 10, 1902, he and Katherine Ricketts of Pana were married, and for a few years they lived on the Platt farm southeast of Witt. In 1910 he graduated from Chicago Veterinary School and then set up his practice in Witt.
Dr. and Mrs. Walcher raised five children, Julia (Mrs. Melvin Coffey) of Witt; Donald of Denver; Lenore (Mrs. Russell Sparks) of Hillsboro; Bruce of Menlo Park, California; and Alice June (Mrs. Clarence Pool) of Chatsworth, Illinois. One child died in infancy.
Mrs. Walcher was a faithful, busy helpmate. In addition to raising her family her family and doing church work, she answered the phone and was always prepared to serve meals to her husband at irregular hours. The lives of the Walchers were deeply rooted in the history of Witt.

THE LITICKER FAMILY

Arba and Mary Ann (McCoy) Liticker moved from North Carolina to the Bost Hill neighborhood about 1841. Grandparents of Lura (Liticker) Tucker, they raised her from the time she was five. Arba would haul a load of corn to St. Louis, took more than a day, exchanged part of it for other commodities. They'd cut down bee trees, get tubs of honey. Mary Ann would raise hoarhound and with honey make cough drops. Also from herbs, she would make pills for stomach trouble. She was just a kind of neighborhood doctor. She had the first sewing machine, and people would come to see it. Arba bought the place now owned by Jesse Schoeneweiss, March 30, 1887. Ever since, some of his descendants have lived in Witt. DR. CHARLES E. WALCHER
WITT'S ONLY VETERINARIAN

Dr. Walcher was on call virtually 24 hours a day from 1910 until the day of his death in 1945. He doctored farm animals and pets in the Witt community.

He traveled first by horseback and buggy, and later by Model T Ford in all kinds of weather. In those days the roads were not surfaced and sometimes he would get stuck in deep mud. Then he would haul out his block and tackle, attach it to a fence post, and pull his Model T out of the mud. He is still remembered by many farmers in the Witt area.

He also owned an orchard and truck farm. He once had an additional ten acres of strawberries on rented land near town and most of the young people of Witt were hired as pickers. Another temporary sideline was chicken raising and for a few years he kept about 1000 laying hens.

Dr. Walcher was born on a farm near Rosamond on January 20, 1878. On Oct. 10, 1902, he and Katherine Ricketts of Pana were married, and for a few years they lived on the Platt farm southeast of Witt. In 1910 he graduated from the Chicago Veterinary School and then set up his practice in Witt.

Dr. and Mrs. Walcher raised five children, Julia, Mrs. Melvin Coffey of Witt; Donald of Denver; Lenore, Mrs. Russell Sparks of Hillsboro; Bruce of Menlo Park, California; and Alice June, Mrs. Clarence Pool of Chatsworth, Illinois. One child died in infancy.

Mrs. Walcher was a faithful, busy helpmate. In addition to raising her family and doing church work, she answered the phone and was always prepared to serve meals to her husband at irregular hours.

The lives of the Walchers were deeply rooted in the history of Witt.

Tearing through a Caboose.
Three Men Killed and Several Wounded by a Collision in Illinois.

Chicago, Ill., February 9 [1881]. -- a dispatch from Pana, Illinois, says a fatal accident occurred on the Ohio and Mississippi Railroad ten miles from that city, near Owaneko, last evening, by which three laborers were killed and several others wounded. A construction train with seventy-five men in a caboose under Conductor Lockhart was backing toward Owaneko in order to go on a side track there to let a passenger train under Conductor Selby, which was running fast to make up for lost time, pass, and the latter having no notice of the construction train being on the track a collision occurred. The engine of the passenger train tore through the crowded caboose pushing those inside out, killing three outright and wounding ten or twelve others. It is remarkable that so many escaped. The following are the names of the victims:

Killed -- Allen Jones of Owaneko and W. W. Tatlock and H. McPherson of Pennsylvania.

Wounded -- Louis Selby of Pennsylvania, conductor of the passenger train, seriously injured internally; Jacob Headley, leg broken; Thomas Vinden, leg broken, Charles McGowen, leg broken; Frank Green, collar-bone broken and badly bruised; Owen Gleeson, back injured; Charles Mills, foot mashed; Dan Donahoe, bruised and cut about the head; John H. Erdman, head cut and arm fractured; Charles Walcher of Owaneko, arm broken.

The wounded, except Selby and Walcher, all hail from Pana. The blame appears to attach to the conductor of the construction train for being on the main track at a time when it belonged to the passenger train.

NOTE: All spelling and punctuation left as printed.

ZENTSUJI CAMP, SHIKOKU 1942-45
AMERICAN PRISONERS OF WAR [558]

Revised 20 Jul 2003- Obit for General Todd Added;Dewey Danielson added

Note: This list is incomplete as there were 343 Guam military alone [Guam Roster] sent through Zentsuji. No attempt has been made to compare the two lists for missing names. Name spellings have been cross-checked with three separate handwritten rosters to assure accuracy. None of civilians or nurses from Guam are listed. They are noted on the Guam Roster. This appears to be an incomplete list of the men who passed through the camp but NOT the list at time of rescue.

Note: designation changed from USAAF to USAAC for standardization

ARMY NURSE WHO WAS ONE OF THE `ANGELS OF BATAAN'

Knight-Ridder/Tribune.

Edition: Chicago Tribune

Beulah "Peggy" Greenwalt Walcher, who as a U.S. Army nurse in World War II was one of 82 women held as a prisoner of war by Japanese forces on Bataan and Corregidor in the Philippines, died Monday at Stanford University Hospital in Palo Alto. She was 81.

As a 20-year-old graduate of a nursing college, she was told with a friend to join the Army to "see the world."

Mrs. Walcher arrived in Corregidor in June 1941 and worked as a general duty nurse on the island's military hospital until Japanese forces landed.

By April 1942, most military operations on the island were moved to the Malinta Tunnel, used by vehicles to cross the island during peacetime. It was there that Gen. Douglas MacArthur established his headquarters for a time, and where the nurses were captured in May.

Mrs. Walcher was imprisoned 33 months before U.S. troops liberated the nurses in 1945.

While imprisoned, she was written up as a heroine in a William L. White book, "They Were Expendable." The book about the "Angels of Bataan" later became a 1945 movie. "It's a good story, but it's not me at all," she said.

She married Bruce Walcher, who was also a prisoner of war, on June 1, 1946. They did not meet while prisoners but both survived the Bataan "Death March." They met when they were transferred to a Denver hospital.

THE HISTORY OF GREEN MOUNTAIN CEMETERY

In 1904, a local real estate developer by the name of David D. Dobbins bought the entire property from the City. He recognized its beautiful setting; its value for Boulder's expanding residential needs, and the convenient location near the Chautauqua facilities. He certainly appreciated the proximity of both Baseline and Broadway and being located directly west of the Denver & Interurban train line. Mr. Dobbins was also aware of Boulder's need for a new cemetery, and he reserved about 40 acres on the southern side of his property as he began development of the residential streets on the remaining 120 acres.

Dobbins extended the existing north-south numbered streets south from Baseline and created four new east-west streets, naming them Columbine, Mariposa, Bluebell and Chautauqua (now renamed King) Avenues. The area west of 20th Street, which was then a main road into town, he named Floral Park because of the street names, and the area east of 20th he called Interurban because of its proximity to the train to Denver. The hilliest area west of 15th was not developed until later and became known as Bellevue Heights. All of these neighborhood names have now been largely forgotten, except by some longtime residents. In order to promote residential development of Floral Park, Dobbins built the first four houses there, four almost identical modest brick bungalows, strategically located on the northwest corners of Bluebell avenue and 15th, 16th, 17th, and 19th Streets. These pleasant houses all still exist and are virtually unchanged.

By the turn of the century, Columbia Cemetery (Boulder's first and only cemetery which started in 1870) was largely filled and was not well maintained, and more importantly had no endowment fund for continued maintenance. In October of 1904, D.E. Dobbins and seven other prominent Boulder businessmen formed the Boulder Cemetery association for the purpose of creating a new and properly run cemetery for the City. One month later the Association purchased the southern 40 acres of Dobbins' property and elected Dobbins as Secretary, the first paid employee of the newly formed Green Mountain Cemetery.

The Association began immediate development of the land. W.W. Parce was hired to develop a "subdivision and planting plan" for the layout of grave plots and roads for the cemetery. Several

The area west of 20th Street, which was then a main road into town, he named Floral Park because of the street names, and the area east of 20th he called Interurban because of its proximity to the train to Denver. The hilliest area west of 15th was not developed until later and became known as Bellevue Heights. All of these neighborhood names have now been largely forgotten, except by some longtime residents. These pleasant houses all still exist and are virtually unchanged.

By the turn of the century, Columbia Cemetery (Boulder's first and only cemetery which started in 1870) was largely filled and was not well maintained, and more importantly had no endowment fund for continued maintenance. In October of 1904, D.E. Dobbins and seven other prominent Boulder businessmen formed the Boulder Cemetery association for the purpose of creating a new and properly run cemetery for the City. One month later the Association purchased the southern 40 acres of Dobbins' property and elected Dobbins as Secretary, the first paid employee of the newly formed Green Mountain Cemetery.

The Association began immediate development of the land. W. W. Pierce was hired to develop a "subdivision and planting plan" for the layout of grave plots and roads for the cemetery. Several

members of the Board traveled to cemeteries in Pueblo and Denver to determine prices and sizes for the plots, and the gravesites were initially priced from $75 to $500 depending on size and location. On December 20, 1904, Archibald Chalmers, a 50-year old miner from Marshal, Colorado, was the first person to be buried in Green Mountain Cemetery. In the following year the Association paid the architectural firm of Redding and sons $153 to design a "Superintendent's Cottage." This handsome stone and plaster house was completed in 1906 at a cost of $3,100! It still stands today at the southwest corner of King and 20th Streets, which was then the entrance to the cemetery and equipped with impressive stone and iron gates. Later a large barn for horses, equipment, and a workshop for maintenance purposes were added west of the house, but these buildings are now gone. The roads were paved with crushed sandstone, then later with crushed granite. Rustic stone bridges that are still in use were constructed over Skunk Creek and the Anderson Ditch which flow through the grounds. Small pine and spruce trees were planted and have now become massive evergreens in the gently sloping landscape. All of these improvements were to be maintained with the proceeds from the perpetual care endowment fund, accumulated from portions of each gravesite sale. This, the latest method of "modern" cemetery maintenance, was the foundation of today's existing maintenance programs.

Shortly after green Mountain Cemetery was established, many Boulder families chose to move burials from the old Columbia Cemetery to the new one to take advantage of the better facilities and upkeep from the promise of "perpetual care." A total of 91 "re-interments" occurred, the last in the 1930s. Also in the early years, cemetery records indicate that a large number of burials were of persons from out of state and out of the country who died in Boulder of tuberculosis. These were probably patients of the Boulder Tuberculosis Sanitarium, now the Mapleton Rehabilitation Center, who did not recover from their illness. Over the years, many of Boulder's most prominent and colorful citizens have been buried at Green Mountain Cemetery. There are now over 12,000 graves, but there is still room for many more. The cemetery is currently developing new sections to the west and south sides, as well as quality above-ground mausoleum and various cremation inurnment options.

In the early 1930's, Percy Emmet established the Boulder Monument Company, the manufacturers of many of the gravestones in Green Mountain Cemetery. In 1950, the Company moved from downtown Boulder to the cemetery, where it operated as Boulder's only monument shop. Claude Snyder, the chief monument designer and engraver, has produced almost all of the custom-designed stones during the last 95 years. His is known for his distinctive and custom work which you will see throughout the cemetery and the pride and quality of his work is evident.

The original Boulder Cemetery Association had its financial ups and downs, and in the early 1950's sold the strip of land between the present cemetery and King Street, including the Supervisor's Cottage, for residential development. In 1970, Bill Howe, the third generation owner of Howe Mortuary, purchased Green Mountain Cemetery, bill, his parents, his uncle, and his grandparents, have had a long involvement with the Cemetery since it was founded.

In 1994, the cemetery and mortuary were sold to the present management, which has generously and enthusiastically made the cemetery all that it is today. In the latest brochure it is mentioned that Green Mountain Cemetery is "one of Boulder's best kept secrets." Gaze around at the peaceful grassy landscape and the spectacular view of the Flatirons beyond, and we think you will agree with the statement. Come back again. Cemeteries are for visiting and remembering.

Notes for CARRIE ADAH SEELEY:

Carrie Adah Seely born October 23, 1869 at Knoxville, PA. Parents were Julius and Elvira Husted Seely. She came with her family to Larned, Kansas at age 8 years. She had one sister and five brothers, Julia, Ed, Al, Charlie, Bert and Fred. This was the time of Indians, cowboys, buffalo hunters and the "Wild, Wild West." Ft. Larned, where troops were stationed, was quite close by and Larned and Dodge City had about the reputation as being rough and rugged. While in Larned, her father owned and operated a hotel. They lived in the hotel and operated it. The hotel had about 100 rooms and was called "The Larned House."

Carrie went to school in the grades where they taught First through 12th grade, although at that time it was not graded the way schools are now. She studied everything from penmanship, map drawing and the basic subjects, botany, astronomy, various sciences, languages and art. It was all required. At the age of 16, her father bought her a Fisher piano which is still in the family. Carrie lived in the time when it was common for Indians dressed in blankets and feathers to come to the hotel and peep in the windows which was quite scary. They did not leave until they were given something to eat which was usually done quite promptly! The butcher shops sold buffalo meat for 10 cents a pound. Hotel rooms were 25 cents a day and meals were 10 to 25 cents. A good steak dinner could be had for 15 cents.

At that time there were people, both men and women, traveling through the country staying at different towns working their way. A good many stayed at the hotel teaching handicrafts of various kinds for several weeks. Carrie always managed to take lessons and learned many crafts, including the making of Battenburg Lace, beading, all kinds of embroidery, weaving, crocheting and knitting. One lady taught hair weaving. Carrie learned to paint on velvet and her daughter has some of her paintings. After finishing school, Carrie worked at Topeka in the Capitol building as an enrolling clerk for several years. She was a beautiful penman all her life.

Her father also made the land run into Oklahoma on the Cherokee Strip in 1893, moving to Kingfisher, Oklahoma. About 1894 the Seely family moved to Kingfisher, Oklahoma where Carrie's father again built and operated a hotel for a number of years. It was called "The Farmers Hotel."

On September 9, 1896 Carried married Jacob Franklin Walcher. They lived on a farm 7 miles from Crescent and about a mile from Columbia which in non-existent now. Frank had three children by a former marriage, the children were Mable, Ella and Harry. Carrie and Frank together had three children, a Baby boy who died at the age of six days; a boy Eugene who died at the age of 14 years of typhoid fever; and a daughter, Edna Mae who is married to Lloyd Roush and live in Enid, Oklahoma.

Frank and Carrie moved to Enid in March of 1907. Carrie was born October 23, 1864 and passed away on August 4, 1960, at the age of almost 96 years. Someone asked Carrie to what she attributed her long life, she smiled and said "Keeping calm, keeping busy, being temperate and eating oatmeal for breakfast every morning."
This article was written by Carrie's daughter, Edna Mae and found in her personal writings.

Dear Bobbie,
It is so good to hear from you! However, not under the circumstances of you being off work with the knee problems. I had left knee replacement several years ago and then another correction a year later, not fun but doing well now. Hope the elbow problem is not as troublesome.

At the Walcher reunion this spring, Wendell Walcher of Grand Junction, CO, brought me a box of the most interesting pictures and an old album that belonged to Edna Walcher Roush, she was the daughter of Jacob Franklin "Frank" Walcher who lived in Enid. When Edna passed away with no family, the person who took care of her effects, wrote Wendell and asked if he wanted her pictures and info. They were mailed to him and he has shared the box and album with me for the next year. I will return it all to him next year at reunion.

The album is amazing! She had pasted in old obituaries, made copies of old pictures and put them in the album with names on most of them. Frank Walcher was born in Litchfield, IL and is the son of Edmund Aaron Walcher. Frank was one of the organizers of the Walcher Reunion in 1931 and in most of all the old Walcher reunion pictures. I have been entering information into my Family Tree Maker database and enjoying every minute of it!!!!

There is a picture of some of the Walchers. It is attached and here are the names of the people Edna had identified in the picture, disappointingly they are not all identified. So we will be looking for the picture to be in another Walcher scrapbook or in the possession of another family. Here is Edna's identification: Front row, L to R, unknown, John Walcher, Leah Smith, wife of John; Standing, unknown, Edmund Aaron Walcher and Sarah C. Mills.
Now I am in doubt of this identification---So don't take this as "for sure" identification.

I question it--could this John Walcher be, John Michael Walcher, if so he died Sep 1850 and Leah in May 1869. I have sent a copy to Page Walcher in Irving, IL, Page is 80+ now and descends through the Michael Simeon line. The picture was taken by O.B. Tracy photographer in Pana, IL. According to my records, Luther Morgan Walcher son (child #5) of Edmund Aaron was the only ones I have recorded living in Pana. However, the thing is that this is your line also, so I wanted you to have a copy of the picture. Now we will set out attempting to identify the people! I have thought about sending a copy to the library in Pana, and to the newspaper in hopes they might run it???? I had hoped that Page would have a copy and reply, but all that was said was "his ggrandfather was a brother of Edmund Aaron" which makes me believe he did not have the picture. Page has several children and they maintain the cemetery where John Michael is buried and live on John Michael's original land. I am hoping to go see Page and wife Kathryn this fall. Will let you know how that goes.

Now the next project. As you know two years ago, two cousins and I produced a book about our John Henry Walcher families. After we did the John Henry book, Wendell said wouldn't it be wonderful to do a book on the John Michael line! What a project!!!! At first, I thought it would be too big a project until I started determining the family contacts for each child in that line. Now I think it would be possible! Wendell and I will both be 69 this year so we know if we are going to do this, we must do it now.

I have worked a small bit on seeing who I have contacts with for each of the children. Have someone for almost all members of the John Michael family with these exceptions: Do not know what happened to Calvin Alexander and wife Julia. Grandpa CDL stated on a large poster board chart that he died???? Have not found anything to support this or where they went. Also Elizabeth Hulda married a Harkey, do not have any child contact for her, but have a Harkey contact in Illinois for Sarah Sally Walcher who married John Harkey, son of grandfather Michael Walcher and I feel sure Lynn Reener will help with that line.

So----are you up to helping? Main thing is that we have the names and dates of the children, grandchildren, etc…. with some census records to support where they were. And pictures, if available. A lot of the work has already been done, it is mainly putting it together and adding what is shared. I can do that in Family Tree Maker and print it out. That is what I used for the John Henry book. I would not want to publish on the Internet, it would just be for those who have submitted/shared information. I really think it is a project that we will be very please with.
Feel we could put it together for under/around $30 a book (softcover bound). Please let me know your thoughts.

During the past year I have been the DAR registrar for our Bartlesville Chapter and have been helping ladies complete their applications for membership. I am still under the care of the workers comp doctor, and will be for at least another couple of months. I returned to work on May 18th, after 2 left knee surgeries done to repair the damage from the fall I took on an uneven sidewalk during an emergency evacuation last August, the second to remove a abscess in one of the incisions. The doctor has recommended surgery on my left elbow/forearm to try to repair the nerve that was damaged in the fall, and has not healed.

I received several reminders I am getting old – including an invitation to join AARP, rude comments from the DPS worker (about 20 years ago) about vision and height changes at the age of 50 when I renewed my driver's license, having to get new lenses for my glasses, as well as having my first cavity at the age of 50. The other is becoming a Great Aunt and Great Uncle again – twice this year (Barry wanted me to let you know – this really makes him feel old – and wanted to know if you know this. I reminded him that he is getting older)

The Governor and Texas State Legislature mandated many changes in state government and agencies last year – before the democrats fled the state to Arizona, Oklahoma trying to stop Republican redistricting efforts (that was only a temporary and costly hiatus to state business)

All state agencies were mandated to cut about 30% of their budgets, and 8 agencies were mandated to transition into 1 entities – all under a new Agency – Texas Department of Health and Human Services. Texas Dept. of Health (where I work) has had to send many of its division to the Human Services division, also into Texas Rehabilitation Commission, Mental Health and Mental Retardation Commission, and one other (it was moved to TDH – we all had to cut jobs and budgets

Hi, Everyone,

Hope that everyone is doing OK. I just wanted to get everyone up-to-date on what has been going on here in Austin, Texas, trying to answer everyone's questions in one email. It is good hearing from everyone, and I know I have been lazy about writing to everyone.

After 21+ days of rain, and almost a record amount of rain for June, summer finally arrived with a steam bath as soon as you walked outside with 100% humidity and 95 degree temperatures on July 1st. Barry was able to only work a full day about 4 days during the last month.

I am still under the care of the worker's comp doctor, and will be for at least another couple of months. I returned to work on May 14th, after 2 left knee surgeries (one to repair the damage from the fall I took on an uneven sidewalk during an emergency evacuation last August, the second to remove a abscess in one of the incisions). Fortunately, my department did not have any job cuts, other than 2 positions were cut after the employees quit. The department I work in has also been moved to be a part of another – we were under Information Services and are now a part of Bureau of Vital Statistics. About ¾ of what we enter into the state database was for this department so I guess it was the best fit. Since Blondena retired last August, we got another supervisor, who wasn't a very nice, or a good supervisor. At the end of June she was gone (and the supervisor of Bureau of Vital Statistics took over). This past week, under the new supervisor, things in our office have been a lot less stressful for everyone.

I was told last summer, I would not be one of the ones RIF'd (Reduction in Work Force), due to my number of years with the state. I have now worked for the State of Texas for 20 years, and can retire in another 5, under regular retirement. However, depending on the disability rating the Worker's Compensation commission gives me, I may be able to retire under disability this fall (I think that if they say I am 50% disabled or higher, my insurance benefits will be paid for by the state, which is the only way I can afford to retire under disability).

Barry is still working for Kleinfelder-Trinity Engineering and Testing Corporation, and has been with them for about 23 years now. The heat is getting to him, now, as well as his psoriasis, and is considering asking to not be out in the field as much – although he says it makes the work day go by faster. He is currently working on a job in Pflugerville,

Last October, Barry and I took a week long vacation to Las Vegas, and had a great time. We stayed at the Luxor Hotel (the pyramid). Our first trip to Vegas several years ago was somewhat overwhelming – there is so much to see and do, that this time we went onto the internet, looked up shows and things to do, as well as discount coupons, and really did some exploring. We also did the slot machines, and our last night there, we won back part of our gambling money in 'fishing' slot machines in our hotel. We spent one afternoon at Lake Meade, on a paddle boat, taking a tour of Lake Meade, then going up to Hoover Dam for the sights.

This fall, we are planning on taking a trip for 10-14 days, and are thinking about going to Washington, DC, as I have never been there, and Barry was there when he was 6 or 7, and doesn't remember a lot about it. We would like to see it before they completely close off access to many places due to security risks. We haven't made any definite plans yet. A lot depends on how Barry's mother is doing, as to how far away from home we feel we can travel.

Barry's mother is still struggling with Alzheimer's disease, though she is doing a little better since she was put on a new medication last December. She is able to walk some, now, with out someone having to help support her, and she can get up by herself – which for several months she couldn't. Her mental state is still confused, but she is not as paranoid now or seeing things that don't exist – which is what was happening several months ago. When she does get paranoid now, we can usually correct her or tell her she is just confused, and she agrees that must be what it is. We know this is a temporary improvement, and just hopeful it lasts for a while. A couple of months ago, Barry's dad thought he was having another heart attack, so we took him to the hospital, and they kept him overnight. It turns out; it was just stress, due to taking care of Joan 24 hours a day, with no help. We have been trying to get them to have some home health care assistance, but Joan won't allow a 'stranger' to come in to the house, and Jim doesn't want to force it on her. Every time there is another crisis comes up, we bring it up again, and now Jim is considering it. He knows that at some point, it will become a necessity, and he isn't looking forward to having to fight her on the issue.

We were really excited a couple of months ago, when we got a call from Jairo when he was having dinner his girlfriend in Austin. We hope to get a chance to visit with him sometime soon, when he is free, and go out to dinner with him (or them), since he is so close to Austin now.

Barry carries the cell phone M-F during the work day (he had to get the phone for work and they pay ½ the bill), so if you need to reach us in an emergency during the work day, call the cell phone, and Barry will call me. My primary email address is bhenley@attglobal.net, and I can now access it from work. Due to changes at work, I am not supposed to receive any personal emails at my work email address, so if that is the one you are using, please change it to my primary email address.

Well, I guess that is most of the news from here.

Dear Bobbie,
It is so good to hear from you! However, not under the circumstances of you being off work with the knee problems. I had left knee replacement several years ago and then another correction a year later, not fun but doing well now. Hope the elbow problem is not as troublesome.

At the Walcher reunion this spring, Wendell Walcher of Grand Junction, CO, brought me a box of the most interesting pictures and an old album that belonged to Edna Walcher Roush, she was the daughter of Jacob Franklin "Frank" Walcher who lived in Enid. When Edna passed away with no family, the person who took care of her effects, wrote Wendell and asked if he wanted her pictures and info. They were mailed to him and he has shared the box and album with me for the next year. I will return it all to him next year at reunion.

The album is amazing! She had pasted in old obituaries, made copies of old pictures and put them in the album with names on most of them. Frank Walcher was born in Litchfield, IL and is the son of Edmund Aaron Walcher. Frank was one of the organizers of the Walcher Reunion in 1931 and in most of all the old Walcher reunion pictures. I have been entering information into my Family Tree Maker database and enjoying every minute of it!!!!

There is a picture of some of the Walchers. It is attached and here are the names of the people Edna had identified in the picture, disappointingly they are not all identified. So we will be looking for the picture to be in another Walcher scrapbook or in the possession of another family. Here is Edna's identification: Front row, L to R, unknown, John Walcher, Leah Smith, wife of John; Standing, unknown, Edmund Aaron Walcher and Sarah C. Mills.
Now I am in doubt of this identification---So don't take this as "for sure" identification.

I question it—could this John Walcher be, John Michael Walcher, if so he died Sep 1850 and Leah in May 1869. I have sent a copy to Page Walcher in Irving, IL, Page is 80+ now and descends through the Michael Simeon line. The picture was taken by O.B. Tracy photographer in Pana, IL. According to my records, Luther Morgan Walcher son (child #5) of Edmund Aaron was the only ones I have recorded living in Pana. However, the thing is that this is your line also, so I wanted you to have a copy of the picture. Now we will set out attempting to identify the people! I have thought about sending a copy to the library in Pana, and to the newspaper in hopes they might run it???? I had hoped that Page would have a copy and reply, but all that was said was "his ggrandfather was a brother of Edmund Aaron" which makes me believe he did not have the picture. Page has several children and they maintain the cemetery where John Michael is buried and live on John Michael's original land. I am hoping to go see Page and wife Kathryn this fall. Will let you know how that goes.

Now the next project. As you know two years ago, two cousins and I produced a book about our John Henry Walcher families. After we did the John Henry book, Wendell said wouldn't it be wonderful to do a book on the John Michael line! What a project!!!! At first, I thought it would be too big a project until I started determining the family contacts for each child in that line. Now I think it would be possible! Wendell and I will both be 69 this year so we know if we are going to do this, we must do it now.

I have worked a small bit on seeing who I have contacts with for each of the children. Have someone for almost all members of the John Michael family with these exceptions: Do not know what happened to Calvin Alexander and wife Julia. Grandpa CDL stated on a large poster board chart that he died???? Have not found anything to support this or where they went. Also Elizabeth Hulda married a Harkey, do not have any child contact for her, but have a Harkey contact in Illinois for Sarah Sally Walcher who married John Harkey, son of grandfather Michael Walcher and I feel sure Lynn Reener will help with that line.

So----are you up to helping? Main thing is that we have the names and dates of the children, grandchildren, etc…. with some census records to support where they were. And pictures, if available. A lot of the work has already been done, it is mainly putting it together and adding what is shared. I can do that in Family Tree Maker and print it out. That is what I used for the John Henry book. I would not want to publish on the Internet, it would just be for those who have submitted/shared information. I really think it is a project that we will be very please with.
Feel we could put it together for under/around $30 a book (softcover bound). Please let me know your thoughts.

During the past year I have been the DAR registrar for our Bartlesville Chapter and have been helping ladies complete their applications for membership. Whew! 20 new members last year and already 22 applications submitted this year from a chapter that usually had maybe 1 new member a year before…so have been busy! We had two of the youngest grandchildren last week while parents were out of town—so am recuperating this week. Life is busy, but as Jack says, "it keeps us off the streets!" Again so good to hear from you—really look forward to hearing from you soon!!!!
Much Love to you cousin,

Bobbi, so glad to hear from you and know what's going on in your life!
I am again working on the John Michael Walcher information again, will be getting back on it in January and hope you will help me with what you have on the Edmond Aaron branch. What I am doing now is working on census and finding living descendants in families in each branch with the hope that they will share obituaries, pictures and stories about their families. I have a few Texas loose ends, if there any chance that you might help me with finding some death dates and obituaries? Would not especially be in your branch, but would be so helpful. Again, thanks for the card and the letter, envy you going to Hawaii!

Bobbi, I am again working on the Walcher database. Someday I hope to publish the John Michael Walcher generations. I was working with Gilbert C. Walcher family yesterday, his daughter Jean May on Ancestry OneWorld Tree lists a husband as KENT. Do you know anything about her? It lists two Kent children living? Would like to have updates on that family. I am hoping to find a living relative in each of the families toward not only updating the info but perhaps getting some family story info also. I know I will corresponding with you more as time goes on. Right now I am taking one branch of the family at a time and working through them with census. Looking forward to hearing from you.

December 10, 2006

Hi Everyone,

As another year has passed, we hope this letter finds you and your families healthy, and that you are able to enjoy this holiday season with your families.

Barry celebrated 25 years with Kleinfelder Trinity Engineering in April. He is now working in management, writing job proposals and managing several construction jobs. Some of his larger projects include parts of the new Austin Children's Hospital on the site of the old airport, as well as Strictly Pediatrics – a medical complex next to the hospital. He is still working out in the field – but only about half of the time.

Because of his new duties – typing up proposals on the computer, he has learned basic typing, etc. on his laptop computer (which we have networked for wireless internet connection). He has become fairly good at surfing the net – and in fact planned most of our vacation (trip and activity reservations) via internet.

I am still working for the State of Texas, and in May celebrated 22 years with them. I am now working in the Texas Vital Statistics unit – providing mail services, as well as working with the mailroom, UPS, and USPS maintaining supplies, tracking shipments and deliveries, and filing claims for lost packages. I will be eligible to retire in 2.5 years—but don't know if I will or not – but it will be nice to have that option. I am so glad to no longer having to key all day long – and so are my hands.

Both Barry and I continue to battle with psoriasis. Mine has now progressed into psoriatic arthritis. Balancing medications for this form of rheumatoid arthritis, degenerative arthritis has not been easy. We found out earlier this year, I apparently had a reaction to Advil, triggering kidney stones, and went into 50% Kidney Failure, and very high blood pressure. With all of this, it became evident, smoking was not helping. In May, we both quit smoking (for the 3rd attempt – which we found out is not uncommon). It continues to be a battle, but we are determined to try to make it this time.

The highlight of our year was a week long trip to Maui. The flights were long, and crowded, but the week we were there was fantastic (Barry has been trying to figure out how we can go back). We had great weather the whole week, and traveled around about 70% of the island, went on a submarine ride, and snorkeling, to a luau, and took the 35 mile Road to Hana – which takes about 3 ½ hours to travel. We saw beautiful flowers, went to the Maui Ocean Aquarium, and a working plantation. We stayed at the Westin Kaanapali Ocean Resort Villas, where we had a kitchenette, a Jacuzzi tub and walk in shower, a great ocean view, and we were able to snorkel right of the beach at the resort. We got back 1 week before the earthquake hit on the Big Island and Maui.

Barry and I became Great-Aunt / Great-Uncle for the 4th time (Shawn Schiffman and Stacy Burton had Isabella) in March. Allan (Siler) married Robin in October, and now has 2 step-daughters – 5 year old Brooke, and 13 year old Britnie. Jairo Schiffman and Rochelle married in July in Missouri, and he is now stationed in Korea. Misty (Mitchell) Richardson is holding down the home front while her husband David (Spud) is in Iraq.

We hope you have a great holiday season, and a Happy, healthy New Year.

Love,
Bobbi & Barry

Bobbie Jo,
James Hugh (Jim) Walcher (jhwalcher1@home.com) in California recently had sent me a note that included your email to him. He was reconstructing his home computer database after a crash and he mentioned your name. I have been a Walcher researcher for a number of years. Working mainly on maintaining records for the Walcher family in the Wellington area. I have going through my Walcher information, trying to get caught up before the 70th Walcher Reunion in South Haven, Kansas on May 5 and 6. I thought you might have some information on your website that would be interesting to the reunion attendees.

I could not believe it! What wonderful pictures you have put on your site! I am hoping to have enough time to print them out before reunion. I know some of the older cousins will be delighted to see them. We have two of our cousins who are 94, they both get around very well and hopefully the weather cooperate for them to attend. They both live in Wellington.

The first Walcher reunion was in Enid, OK in 1931 with many Walcher from Oklahoma, Kansas attending. Since that year and almost every year since, (thin they have missed about 4 years-due to polio epidemic, war, etc.) the reunion has been held in Blackwell, OK, and Wellington, KS. As the years went by and families spread to wider states, many returned, but it became a reunion of mostly the familes of John Henry Walcher, brother of Edmond Aaron Walcher, your gggrandfather. Every first Sunday in May we gather to share basket lunch, have the children and talented adults entertain, hold an auction to keep $ for the next years mailing of reminders for the reunion. We alternate having the reunion in Wellington and South Haven. This year is the 70th and we have planned a two day. Saturday evening we will meet a resturant, have dinner on the interstate and have time to remember those families with stories and visit. Then on Sunday we will have our regular Sunday reunion. A few years ago a "Living Treasure" was created to honor one of our older cousins, it is a special day and about 70+ attend, it always depends upon the weather. We have created memory books for each family of the 4 brothers (one brother never married) and have them on display at each reunion. On Saturday evening we will talk about our family history and our search results. If you would like to attend, we would love to have you attend. I am attaching the flyer for the reunion.

I have been working over the past two years on a book for the John Henry Walcher families and had hoped to have it ready for the reunion, however, at this point, it looks like it will be a draft and give time for some good proofreading!

Three years ago, Jim Walcher contacted several of the Walcher cousins who forward his letters to me. We corresponded and began to form the Walcher database. Jim has done a great job of getting information from Walchers all over the US, since he did not have information on his grandfather Walcher. It has snowballed! He and a cousin came to our reunion about two years ago and we spent Saturday together going over what he had and what I had. Now we are trying to find out how he is related to our family--looks like his Walcher came directly over from Austria, while we are trying to find where Adam entered the US. I have begun to form quite a number of cousins who are interested in working on the Adam research--are you?

Quite interesting information was recently placed on the GenForum

Bobbie Jo,

These damn dollar weeds. Thoroughly laborious, cost-ineffective remedy, that sent me a note that indicates your email is fine. We are reconstructing the news computer database after a crash and we mentioned your name. I have been a weather investigator for a number of years, keeping ability on maintaining records for the weather family in the northern area. I have going through my weather information, trying to get caught up before the 12th Weather Family in South Haven, Kansas on May 5 and 6. I thought you might have some information on your notable that would be interesting to the convention attendees.

I could not believe it! What wonderful pictures you have put on your website! I am hoping to have enough time to print them out before convention. I know some of the older crowd will be delighted to see them. We have one of our dominant men are 96, that can get around very well and fortunately the weather cooperates not too to attend. They still live in Wellington.

The Storm Watcher convention was in Ft. Myers, FL in January and we had a very nice attendance. Kansas attendance. Since that was such a short notice very short notice. Our city have adopted having a year-long motto or saying for the convention has been the "Stormkeeper, 96, and wellington, KS. As the month went by and really appears to worse weather, then recently, it begins - a month or more - the Smoke or John Moore, Weather Watcher, Director of Advance Weather Warning, your Meteorologist, Tommy Tree Stormy in May we gather to share storm stories, have the Chairman and Coordinator Weather Watchers, held an opening to learn of the most recent, exciting of Weather Watchers in the country. We all enjoyed having the Meteorologist and South Haven. This year is the 70th year to have Stormy a two day. Saturday evening we will have a Celebration dinner on the Saturday and have the President Tommy Tree, Barry Smith storyteller and wright. Then on Sunday we will have our regular Spring meeting. A few years ago a "Bill Day" resolution was created to honor one of our other Senator. It is a special day and Kansas "Bill Spring" is always observed the 3rd Thursday. We have received money from a few each year to help with the expenses. Our Meteorologist Tommy Tree is with the Weather Channel. Tommy Tree is a storm chaser and is with Lightning on Tommy's Weather Station. On Saturday evening we will have Lightning on Tommy's Weather and Storm Chaser. If you would like to attend, we would love to have you attend. I am enclosing the flyer for the event.

I have been working just the past few years on a book for Tom Moore Tommy Weather Station and hope to have it ready for the reunion. Tommy, at this point, it looks like it will be a lady and give them for some good Meteorologist.

There were two, in my opinion, outstanding events of the Weather reunion. Tommy's Sun Lecture to me. We corresponded and lived to hear the Weather conference. The Sun Lecture Tommy gave of Weather information was well over the 70, after the dinner Tommy's Weather Watcher. It was amazing! My dad's family came to the reunion where the Moore and we spent Saturday afternoon at the Weather Watcher Director. Tommy Tree

Walcher message board (http://genforum.genealogy.com/walcher/) by Robert Burke, you might want to take a look at it. Does bring up an interesting possibility! Will begin looking in the next few weeks for a place for about 20+ researchers to collaborate--or do you know of one?

I have really rattled on long enough, just wanted to make contact with you and invite you to the reunion AND talk about how wonderful your research is...now that I am retired, I want to get a website on FTM for our branches. Just need to get out of a couple of commitments that have become very time consuming. I look forward to hearing from you.
Sincerely-one of the Walcher Cousins,
Barbara Walcher Fulton

I am attaching 2 files for you - which shows more correct information regarding the Edmond A Walcher Family Tree. My mother has requested that I ask you to correct the information - especially regarding 23. Hattie Walcher, Peter Hess and their family. You have listed 5 children - and only 2 of them are correct. They had no boys - all 6 of their children were girls.
We have been going through a lot of my grandmother's papers (Lois Irene Hess White Broady) and many of my great-grandmother's notes and photos - Hattie Walcher Hess - so we do know most of this information is correct - as we have several sources for the information.
I am gradually posting a number of the Walcher family photos on my web site - as well as will have a book posted this weekend with the information I have collected from a number of Walcher descendants on the Walcher's. My web site is located at http://familytreemaker.genealogy.com/users/h/e/n/Bobbi-J-Henley-Texas/

Thank you,

Hi, how are you? Have been busy finishing up our "John Henry Walcher and Elizabeth Lucretia Welker Descendants" family history book. It will go to the printer around June 1. Then I will be taking a breather for a few weeks before getting back to putting some of the other information together.

Would you be interested in forming a group who work on the Walcher line? There are about 8-10 who have worked on the information from time to time. I think if we all put our heads and hearts together, we might make some progress. What do you think?

It will take finding a website where we can correspond/chat from time to time and where our information would be secure.

Let me know what you think...will look forward to hearing from you.

Hi, Everyone,

Hope that everyone is doing OK. I just wanted to get everyone up-to-date on what has been going on here in Austin, Texas, trying to answer everyone's questions in one email. It is good hearing from everyone, and I know I have been lazy about writing to everyone.

After 21+ days of rain, and almost a record amount of rain for June, summer finally arrived with a steam bath as soon as you walked outside with 100% humidity and 95 degree temperatures on July 1st. Barry was able to only work a full day about 4 days during the last month.

I am still under the care of the worker's comp doctor, and will be for at least another couple of months. I returned to work on May 14th, after 2 left knee surgeries (one to repair the damage from the fall I took on an uneven sidewalk during an emergency evacuation last August, the second to remove a abscess in one of the incisions). The doctor has recommended surgery on my left elbow/forearm to try to repair the nerve that was damaged in the fall, and has not healed.

I received several reminders I am getting old – including an invitation to join AARP, rude comments from the DPS worker (about 20 years old) about vision and height changes at the age of 50 when I renewed my driver's license, having to get new lenses for my glasses, as well as having my first cavity at the age of 50. The other is becoming a Great Aunt and Great Uncle again - twice this year (Barry wanted me to let you know – this really makes him feel old – and wanted to know if you knew this. I reminded him that he is getting older).

The Governor and Texas State Legislature mandated many changes in state government and agencies last year – before the democrats fled the state to Ardmore, Oklahoma trying to stop Republican redistricting efforts (that was only a temporary and costly halt to state business).

All state agencies were mandated to cut about 20% of their budgets, and 8 agencies were mandated to transition into 2 entities – all under a new Agency – Texas Department of Health and Human Services. Texas Dept. of Health (where I work) has had to send many of its division to the Human Services division, and add Texas Rehabilitation Commission, Mental Health and Mental Retardation Commission, and one other to was moved to TDH – yet still had to cut jobs and budgets.

Texas Dept. of Health (where I work) has had to send many of its division to the Human Services division, and add Texas Rehabilitation Commission, Mental Health and Mental Retardation Commission, and one other to was moved to TDH – yet still had to cut jobs and budgets.

Fortunately, my department did not have any job cuts, other than 2 positions were cut after the employees quit. The department I work in has also been moved to be a part of another – we were under Information Services and are now a part of Bureau of Vital Statistics. About ¾ of what we enter into the state database was for this department so I guess it was the best fit. Since Blondena retired last August, we got another supervisor, who wasn't a very nice, or a good supervisor. At the end of June she was gone (and the supervisor of Bureau of Vital Statistics took over). This past week, under the new supervisor, things in our office have been a lot less stressful for everyone.

I was told last summer, I would not be one of the ones RIF'd (Reduction in Work Force), due to my number of years with the state. I have now worked for the State of Texas for 20 years, and can retire in another 5, under regular retirement. However, depending on the disability rating the Worker's Compensation commission gives me, I may be able to retire under disability this fall (I think that if they say I am 50% disabled or higher, my insurance benefits will be paid for by the state, which is the only way I can afford to retire under disability).

Barry is still working for Kleinfelder-Trinity Engineering and Testing Corporation, and has been with them for about 23 years now. The heat is getting to him, now, as well as his psoriasis, and is considering asking to not be out in the field as much – although he says it makes the work day go by faster. He is currently working on a job in Pflugerville,

Last October, Barry and I took a week long vacation to Las Vegas, and had a great time. We stayed at the Luxor Hotel (the pyramid). Our first trip to Vegas several years ago was somewhat overwhelming – there is so much to see and do, that this time we went onto the internet, looked up shows and things to do, as well as discount coupons, and really did some exploring. We also did the slot machines, and our last night there, we won back part of our gambling money in 'fishing' slot machines in our hotel. We spent one afternoon at Lake Meade, on a paddle boat, taking a tour of Lake Meade, then going up to Hoover Dam for the sights.

This fall, we are planning on taking a trip for 10-14 days, and are thinking about going to Washington, DC, as I have never been there, and Barry was there when he was 6 or 7, and doesn't remember a lot about it. We would like to see it before they completely close off access to many places due to security risks. We haven't made any definite plans yet. A lot depends on how Barry's mother is doing, as to how far away from home we feel we can travel.

Barry's mother is still struggling with Alzheimer's disease, though she is doing a little better since she was put on a new medication last December. She is able to walk some, now, with out someone having to help support her, and she can get up by herself – which for several months she couldn't. Her mental state is still confused, but she is not as paranoid now or seeing things that don't exist – which is what was happening several months ago. When she does get paranoid now, we can usually correct her or tell her she is just confused, and she agrees that must be what it is. We know this is a temporary improvement, and just hopeful it lasts for a while. A couple of months ago, Barry's dad thought he was having another heart attack, so we took him to the hospital, and they kept him overnight. It turns out; it was just stress, due to taking care of Joan 24 hours a day, with no help. We have been trying to get them to have some home health care assistance, but Joan won't allow a 'stranger' to come in to the house, and Jim doesn't want to force it on her. Every time there is another crisis comes up, we bring it up again, and now Jim is considering it. He knows that at some point, it will become a necessity, and he isn't looking forward to having to fight her on the issue.

We were really excited a couple of months ago, when we got a call from Jairo when he was having dinner his girlfriend in Austin. We hope to get a chance to visit with him sometime soon, when he is free, and go out to dinner with him (or them), since he is so close to Austin now.

I wanted to make sure everyone has our phone numbers (as they are unlisted – and even if they

Well, I guess that is most of the news from here.

Bobbi, thanks for the update of information. Appears that you have some other cousins working on your family line--how wonderful!

We had our annual Walcher Reunion in Wellington the first Sunday in May, it was well attended. It has become a reunion of our family of John Henry Walcher and Elizabeth Lucretia Welker. I think I have told you that several years ago we began recording our families in Memory Books which are displayed at reunion. Another cousin and I have wanted to put the information into book form--well, it finally accomplished! Book went to the printer last week and will have it back the end of June to mail out before the postal rates change. It begins with John Henry and Lucretia and continues with the families of their sons. Over 55 pages of pictures and wonderful stories submitted by the family.

Wendell Walcher, great grandson of Stephen Arnold Douglas "Doug" Walcher, who lives in Palaside, CO, attended. He shared so much information with me over the years that Doug and his father, Raymore had collected. He is still very interested and is now on the internet (wendellwalcher@aol.com)--we have begun to talk about working on putting something together for the next generation back. That would be the generation of John Michael Walcher and Leah Smith(Schmidt). This would include your branch of the family. John Michael, Edmund Alexander, John Alexander, Harriet, etc. Is there a possiblity that you have information on the children in Edmund line? I am attaching a genealogy report (in Word) for the Edmund line. Perhaps you have more to add to it. Think I have contacts in almost everyone of John Michael's children, would just need to have it verified. Wouldn't that be something? It was Wendell's idea and I think a very good one! Let me know what you think and if you would be interested, Barbara Sturgill would also be interested?

Again, thanks for the Hess info. Always good to hear from you. Looking forward to hearing from you.

I do have some questions, but they can wait till you get "up and runnin'" again. Thanks for the reply. Know you be glad to be back online!

Barbara,
I am sorry I will not be able to attend the reunion, due to previous committments. I would like to hear more about the Walcher family and welcome any additional pictures - or corrections to my files. I had planned to have all of the Walcher photos up on my website, but unfortunately over Easter weekend, my computer crashed and is still in the process of being repaired. (The first place I took it to wanted to wipe out all of my files to fix it so I told them to put my computer back together and I would find someone else to fix it for me, who would help me to save my files). I won't know how much I lost until I get it back (of course one of my biggest concerns is my family history files - 10 years of research - and the hundreds of pictures I have stored on it and no longer have direct access to.
Keep in touch,
Bobbi Henley

Bertram,

I am sorry I will not be able to attend the reunion, due to previous commitments. I would like to hear more about the Walcher family and whatever any additional discoveries - or, correspondence to my files. I had planned on some of the Walcher people up on my website, but unfortunately over Easter weekend, my computer crashed and is still in the process of being repaired. The first place I took it to wanted to wipe out all of my files to fix it so I told them to put my computer back together and I would find someone else to fix it for me, who would help me to save my files. I won't know how much I lost until I get it back but it looks as if my biggest concern is my family history files - 20 years of research - and the hundreds of pictures I have stored on it and to longer have direct access to.

Keep in touch.

Bobbi Henley

Bobbie Jo,
Wanted you to know that Wendell Walcher of Palaside, Colorado, called this evening and he is planning to be at the reunion Saturday and Sunday. He has some pictures that he says a granddaughter of "Cresent Al" gave him. He does not know who they are. Wendell is a grandson of Stephen Arnold Douglas "Doug" Walcher, son of Joseph Gideon. And by the way, Joseph Gideon was married to Mary Blackwelder Williams, she was married to Joseph Williams and had Cora G., then married to Joseph Gideon Walcher. Those Walchers and Blackwelders married into both families.

I know that Al and Frank Walcher attended reunions as their names appear on the attendance information. Just wanted you to know that you are very welcome and would love visiting with you.
Sincerely,
barbara

Barbara,

This past week – I was able to access the information on the Illinois Statewide Marriage Index 1763 – 1900 – and found the attached information of the Walcher's.

As you can tell (Bert H. Walcher) Burt H. Walcher is the second entry listed with a marriage date of 8/17/1898, in Montgomery Co., Illinois. As someone who has processed old vital statistic records, I do know that many of the entries can easily be misspelled - as many are written in pencil – and / or the handwriting is difficult to read.

Thought you might like to know, because of the note on your tree : This marriage information is NOT in the Illinois Statewide Marriage Index. It was listed in information from Wendell Walcher.

Mrs. W. L. Broady

El Reno, Oklahoma

Dear Lois,
I was so glad to receive your letter, with the information you supplied. First of all, I will answer your questions; for some reason unknown to me, my father changed the spelling of his last name to Broadie; secondly, G.L. stands for Geraldine Laura, my wife. As to the spelling of the name all of my relatives spell the name Broady and pronounce it "Broad".
The 1900 census of Hart County, Ky., shows a William G. Broudy, born in 1865 in Kentucky. Flora, wife, born in1869 in Ky.; and three children, Ollie, dau., Katie, dau.; William L., son; and Mabel, dau. The 1910 census of El Reno shows Flora age 40 with Katherine, Lester, and Frances M. In your letter, you didn't mention Frances. Based on the census records, I concluded that William (Willie) was in Kentucky in 1900 and then moved to Oklahoma and died after 1900 and before 1910. This is supported by your record that he died in 1903.
I have been corresponding with Louise Bunnell, 11708 Herrick Lane, Middletown, Ky, 40243, who is doing research on the Witherspoons. It is my understanding that Flora returned to Kentucky and married a Dr. Mudd of Hart County, Ky.
Since, I did not keep a copy of the previous letter, I don't remember how much I supplied you; so if I repeat anything please forgive me. My grandfather Thomas Walton Broady was a brother of William Grant Broady. Thomas Walton aka "Tommie" was 11 years younger than Willie. There was one of the sisters named Lois, who married a Witherspoon and that's how Louise Bunnell is involved.
I am researching the Broady family, and so far I have been able to go back 5 generations. William Grant was the son of William Smith (Squire) and Sarah Walton Broady. His father was John Broady and his mother was Rachel Stockton Smith. I have not been able to trace him any further back. In the 1850 census of Barren Co., Ky. he states that he was born in Maryland, there listed three Broady's; one of whom was Thomas Broady. He came to Barren Co., Ky, in 1817 and John came in about 1820, and were living in the same area of Barren Co., I believe that they were brothers.
There were numerous Broady's in Maryland and Virginia; as well as the Waltons in Franklin Co., Va. in the

Dear Lois,
I was so glad to receive your letter, with the information you supplied. After all, I will answer your questions, for some reason unknown to me, my father changed the spelling of his last name to Broady, accidently. I strongs for Geraldine Laura, my wife. As to the spelling of the name all of my relatives spell the name Broady and pronounce it "Broad".

Plus, wife, born in 1869 in Ky., and three children, Ollie, dau., Karle, dau., William L., son, and Mabel, dau. The 1910 census of El Reno shows Ellen age 40 with Katherine, Lester, and Frances M. In your letter, you stated mention Frances. Based on the census records, I concluded that William (Walley) was in Kentucky in 1900 and then moved to Oklahoma and died after 1900 and before 1910. This is supported by your record that he died in 1903.
I have been corresponding with Louise Hunnell, 11708 Harwick Lane, Middletown, Ky. 40243, who is doing research on the Wilkerson. It is my understanding that Ellen moved to Kentucky and married a Dr. Shadd in Hart County, Ky.
Since, I did not keep a copy of the previous letter, I don't remember how much I supplied you, so if I repeat anything please forgive me. My grandfather, Thomas Marion Broady was a brother of William Green Broady. Thomas Walden was "Tommie" was 11 years younger than Willie. There was one of the sisters named Lois, who married a Wilkerson and that's how Louise Hunnell is involved.
I am researching the Broady family, and so far I have been able to go back 5 generations. William Green was the son of William Smith (Squire) and Sarah Walton Broady. His father was John Broady and his mother was Rachel Nicholson Smith. I have not been able to trace him any further back. In the 1850 census of Barren Co., Ky. he states that he was born in Maryland. There lived three Broady's one of whom was Thomas Broady. He came to Barren Co., Ky. in 1817 and John came in about 1830, and were living in the same area of Barren Co. I believe that they were brothers.
There were numerous Broady's in Maryland and Virginia as well as the Waltons in Franklin Co., Va. In the

1700's.
My father William T. Broadie, Sr. came to Illinois in 1921 and I was born in Mason City, Illinois 10/20/1922. I worked for the Federal Government, then the state government and have now retired. Thanks again for all the information which you supplied, and I hope that we may meet some day.
Sincerely,
Bill Broadie

Notes for ROBERT LEROY ROSKOPF:
"Kristi gave her son away when he was three days old. The young couple named him Bobby, or Robert Leroy Roskopf. When he was 2 years 8 months old, Kristi took that couple to court and had him taken away from them by court order. The court's social worker, and adoption agency and Kristi's attorney working together put him into a foster home. That family, who had 2 foster daughters at that time, decided to adopt him, but they wanted a 'closed adoption'. Unbeknownst to me (Mary Rowland, Kristi's mother) Kristi signed him away, never to be seen by any of us. She said she had signed the adoption papers that January. As you can imagine, I was heartbroken. I'll never get over that. I asked her why and she said that she didn't want Steven coming back bothering her! I can't understand her reasoning. I am Bessie White Schiffman, daughter of Reverend E. C. White, who was pastor of the Evangelical Church in Orlando for five years, 1927-1932, and this is our story.
My parents were Erwin Chester White, born in Bradford County, Pennsylvania on Marcy 16, 1875, and Nora Elizabeth Achy, born December 19, 1877. They were married in their native state and their first daughter, Mildred, was born there in 1900. Paternal grandparents were Norman White and Julia Henrietta Lewis. Maternal grandparents were Franklin Achy and Mahalia Perry. Daddy was of Irish descent and mother was Pennsylvania Dutch.
My family moved to Blades, Delaware, where I was born in 1902, Roy Oliver in 1905, and Harry Lewis in 1906. I do not Kano my father's occupation during those early years.
In 1909 we left Delaware, going by train to Chino, California where daddy was called by a holiness congregation to be their pastor. A daughter, Cora May, was born August 18, 1910. Later we moved to Santa Barbara to pastor another church. Daddy did carpenter work to help support his family. The Church had a free will offering box and several times I have seen it opened to find just one dime for our family of seven! Daddy had a team of horses and also did some dray work. While in Santa Barbara two more sons were born: Franklin on May 29, 1912 and Walter on Feb 13, 1914.
Another move to pastor a church in Redlands, and while there my sister Cora May died, July 21, 1916, and another sister Esther Elizabeth was born August 18, 1916. Three years later daddy accepted a call to the Evangelical Church in El Reno, Okla. We arrived there on Feb. 12, 1919 and were met by an old friend, Squire G. Pine, who was a minister at Richland, Okla. As before, daddy continued his carpenter work and painting to provide for the family. While there in El Reno, my sister, Mildred, married and

moved to Maine. Then on Sept. 29, 1920 another brother was born. His name was Charles Arthur. He was extra special. He weighed sixteen pounds.
The next two pastorates were at Waukomis, Okla., and at Turkey Creek, Kansas. Then for five years, 1927-1932, daddy served the Evangelical Church at Orlando as pastor. Ill health forced him to resign in 1932. He then served Orlando as Justice of the Peace and also published "The Orlando Clipper" a weekly newspaper, until his death December 28, 1933.
Our whole family was musical. Vocal solos, duets, quartets and playing instruments was a part of everyday living, and a necessary part of regular and evangelistic church services. Daddy also directed the choirs in his churches and taught Sunday School classes regularly.
My brother, Roy, died November 2, 1960 in Wichita, Kansas. My three youngest brothers and Esther graduated from Orlando High School. Franklin and Walter live in Kansas City, Missouri, Charles in La Grange, Illinois and Esther in Wichita.
By 1961, mother was not able to live alone in Orlando so made her home with Esther and family in Wichita, where she died February 9, 1964. Mother and Daddy were buried in Zion Cemetery west of Orlando.
On February 22, 1922, I married Justin Joseph Schiffman in El Reno. We raised eight children. One of them weighed fourteen pounds at birth! In 1961, Justin and I moved into mother's home in Orlando. As of this date, March 14, 1978, all of our children are living, also nineteen grandchildren, and seven great-grandchildren! Amen.
